Frequently Asked Questions

What services can you provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW

Accepted Payment Type: T/T, L/C, Credit Card, PayPal

Are you a manufacturer or trading company?

We are the manufacturer of soft PVC Silicone rubber equipment since 2011, producing PVC dispensing machines, smart ovens, baking tables, tunnel ovens, rubber press molding machines, and chocolate drop molding machines. We also offer complete turn-key projects including raw materials like PVC resin, DBP oil, color paste/pvc pigment, and aluminum molds.

What is the delivery time for equipment with raw materials and molds?

Approximately 25 days after receiving your deposit. Payment terms are 50% deposit in advance, with the remaining 50% paid before shipment.

What are your company's advantages?

We provide experienced sales managers for personalized inquiry service, supported by a professional technical team to help you make informed decisions and solve technical challenges. We can also flexibly arrange additional consignment needs according to your requirements.

Can I order molds with the machine?

Yes, simply send us your product sample or drawing. We will handle the rest, including sending photos of test products before shipment to ensure accuracy.

How can I customize my products?

Please inform us which product you need to customize, along with detailed specifications, quantities, and any special requirements.
