Frequently Asked Questions

What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW

Accepted Payment Type: T/T, L/C, Credit Card, PayPal

Is Dongguan Chencai Automatic Equipment a manufacturer or trading company?

We are the manufacturer of soft PVC silicone rubber equipment since 2011, producing PVC dispensing machines, smart ovens, baking tables, tunnel ovens, rubber press molding machines, chocolate drop molding machines, and more. We also offer complete turn-key projects including raw materials like PVC resin, DBP oil, color paste/PVC pigment, and aluminum molds.

What is the delivery time if I buy raw material and mold together with the equipment?

About 25 days after receiving your deposit. Payment terms are 50% deposit in advance and 50% before shipment.

What are your company advantages?

We provide experienced, well-trained sales managers offering 1-to-1 inquiry service, supported by a professional technical team to help you make informed decisions and solve technical problems. We can flexibly arrange other consignment needs along with your purchase according to your plan.

Can I order the mold with the machine together?

Yes, simply send us your product sample or drawing and we will handle the rest. We double-check and send photos of test products before shipment to ensure accuracy.

How can I customize my products?

Please inform us which product you need to customize and provide details, quantities, and any special requirements.

If you need to produce specific products, we can provide complete solutions. Please feel free to contact us!
