Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chencai
- Minimum Order Quantity: 1
- Price: CN¥24,214.48-33,903.04

Product Specification

- Weight: 260 KG
- Working Desk Size: 600*350mm
- Input Voltage: 220V
- Maximum Power: 1.6KW
- XYZ Accuracy: 0.01mm
- Dimension: 1180*1000*1550mm
- Color: Blue White
- Core Components: Engine, Motor
- Function: Silicone And PVC Product Making
- Number Of Colors: 12
- Material Compatibility: Soft PVC, Silicon
- Product Type: Dispensing Machine
- Energy Efficiency: Energy Saving
- Application Type: 2D 3D Cartoon Figure, Keychains, Slipper Upper

PRODUCT DISPLAY

front view

A more intuitive view of our equipment's working surface and its functional display, with the front showing the area where the equipment is usually produced

side view

The side one-third perspective can almost display the overall appearance of the device, including the work plane and programming handle. The overall view of the device is probably from this perspective

rear view

On the back display, you can see the pipes and tubes we loaded with materials, as well as the pressure regulating valve below, which is mainly used for debugging and production

Range of application

Controller programming

Used for programming work, create a working path based on mold programming to ensure normal operation, daily production, and equipment debugging

Program shortcut keys

Used for debugging shortcut keys, simply press the corresponding shortcut key to work and improve efficiency

Motor servo and ball screw

Accurately control the three axes,
with an error controlled within
 ± 0.01

dispensing valve

Aluminum dispensing valve with
built-in sealing ring, strong
corrosion resistance, good air
tightness, and fine workmanship

Is Dongguan Chencai Automatic Equipment a manufacturer or trading company?

We are the manufacturer of soft PVC silicone rubber equipment since 2011. Our manufacturing products include PVC dispensing machines, smart ovens, baking tables, tunnel ovens, rubber press molding machines, chocolate drop molding machines, and more. We also offer complete turn-key projects including raw materials like PVC resin, DBP oil, color paste/PVC pigment, and aluminum molds.

What is the delivery time if I buy raw material, mold together with the equipment?

Approximately 25 days after receiving your deposit. Payment terms are 50% deposit in advance and 50% before shipment.

What is your company advantage? Why should I buy from you after comparing with other suppliers?

We provide experienced, well-trained sales managers who offer one-to-one inquiry service, supported by a professional technical team to help you make informed decisions and solve technical problems. We can also flexibly arrange other consignment needs according to your purchasing plan.

Can I order the mold with the machine together?

Yes, simply send us the sample or drawing of the product you want to make, and we will handle the rest. We double-check and send you photos of the testing product before shipment to avoid any mistakes.

How can I customize my products?

Please let us know which product you need to customize, and provide details, quantities, and any special requirements.
