

Long Life Soft PVC and Silicon Product Machine 18 Colors Dispensing Machine Keychain Making Machine

Our Product Introduction

for more products please visit us on chencaimachinery.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chencai
- Minimum Order Quantity: 1
- Price: CN¥31,826.92-39,439.36

Product Specification

- Weight: 316 KG
- Working Desk Size: 740*410mm
- Input Voltage: 220V
- Maximum Power: 1.6KW
- XYZ Accuracy: 0.01mm
- Dimension: 1230*1150*1550mm
- Core Components: Engine, Motor
- Color: Blue
- Function: Silicone And PVC Product Making
- Number Of Colors: 18
- Machine Type: Dispensing Machine
- Material Compatibility: Soft PVC, Silicon
- Product Type: Keychain Making Machine
- Energy Efficiency: Energy Saving
- Operation Type: Easy To Operate

PVC/SILICONE DISPENSING MACHINE

PVC products

drip molding

silicone toy

EQUIPMENT INTRODUCTION

Detailed explanation of functions used for production

IMPROVE EFFICIENCY

Breaking the traditional drip molding industry and replacing manual labor with automation can greatly improve work efficiency

PRECISE DISPENSING

Accurate dispensing and shaping, no leakage, and precise control of every detail even with fast dispensing

REDUCE COSTS

One device can replace several manual productions, reducing labor costs and improving product output and quality

model	power	voltage
CCDS-18C	1.6kw	220V
Workbench dimensions	valid itinerary(X*Y*Z)	air pressure input
740x410mm	750x400x80mm	0.4-0.6mpa
machine weight	Overall dimensions	XYZ axis repeated precise positioning
316kg	1230x1150x1550mm	0.01mm

PRODUCT APPEARANCE

Three perspectives of product display

FRONT FACING REAL SHOT

Front appearance display, mainly reflecting the working plane of the machine equipment and some functions of the work

SIDE SHOT

You can almost see the entire product from the side, displaying the functions and overall situation of our machine. The actual machine display, including his design and work plan

BACK SHOT

The back of the machine mainly displays the details of storing material cans, adjusting air pressure, and checking the condition of related material cans

PRODUCT DETAILS

Detail display and functional introduction of product parts

PROGRAMMING CONTROLLER

Programming is simple, and you can operate it yourself in about a day of training. We can also arrange for a master to provide specialized training

MOTOR AND BALL BEARINGS

Accurate control of machinery and equipment, with three-axis error controlled within ± 0.01 . We have very strict requirements for the machine and strictly control every component

KEYBOARD BUTTONS

Multiple programs can be pre-set with shortcut keys, and simply follow the corresponding shortcut keys to work, improving efficiency

DISPENSING NEEDLE

DISPENSING NEEDLE

Aluminum pressure valve with built-in sealing ring, strong corrosion resistance and good air tightness

PRODUCT APPLICATION

THE WORKING SCENARIO OF
MACHINE EQUIPMENT

USAGE SCENARIOS

The production of silicone products in the production workshop, which are used for mold dispensing and dripping equipment, can greatly improve production efficiency and eliminate a lot of labor costs

3D PVC PROMOTIONAL PRODUCT PRODUCTION LINE

1. Liquid Plastic mixer

2. Air de-bubbling

3. Dispensing

4. Baking

3D promotional product

5. 3D press molding

Some manufacturers

Poor precision of inferior materials

The operation is cumbersome and inefficient

Unstable business, no after-sales service available

Our equipment

Deeply cultivating high-quality products in the industry

Easy to operate on-site training

Years of enterprise warranty and after-sales service

COMPANY PROFILE

COMPANY PROFILE

Chencai Automation Equipment Technology Co., Ltd. was established in 2017, specializing in the R&D and sales of equipment including automatic dispensing machines, food decorating machines, silicone vulcanizing machines, PVC ovens, tunnel ovens, heat press molding machines, rubber heat transfer machines, rubber milling machines, silicone cutting machines, sandblasting machines, vacuum degassing machines, PVC raw material mixers, and hardware visual coloring machines.

With a team of over 100 employees and a factory spanning 3,000+ square meters, ChenCai Equipment has expanded its reach across multiple countries, serving over 1,200 clients. Addressing customer pain points such as “low production, high labor costs, and difficulty in controlling product precision,” we offer services including customized solutions, complimentary training, on-site commissioning, 24-hour online support, and a one-year warranty to help clients boost efficiency.

Moving forward, ChenCai will continue to increase R&D investment, expand into new markets, and strive to become a leading manufacturer of intelligent industrial machinery.

Frequently Asked Questions

1. What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW
Accepted Payment Type: T/T, L/C, Credit Card, PayPal

2. Is Dongguan Chencai Automatic Equipment a manufacturer or trading company?

We are the Manufacturer of soft PVC Silicone rubber equipment Since 2011 , manufacturing products including: PVC Dispensing machine, Smart oven, Baking table, Tunnel Oven, Rubber press molding machine, Chocolate drop molding machine, etc. We also offer completed turn-key projects including raw materials like PVC resin, DBP oil, color paste/pvc pigment, and Aluminum Mold.

3. What is the delivery time if I buy raw material, mold together with the equipment?

Approximately 25 days after receiving your deposit. Payment terms: 50% deposit in advance, and 50% before shipment.

4. What is your company advantage? Why should I buy from you after comparing with other suppliers?

We have experienced, well-trained sales managers offering 1-to-1 inquiry service, together with a professional technical team to help you make informed decisions and solve technical problems. We can also flexibly arrange other consignment needs according to your plan.

5. Can I order the mold with the machine together?

Yes, simply send us the sample or drawing of the product you want to make, and we will handle the rest. We will double-check and send you photos of the testing product before shipment to avoid any mistakes.

6. How can I customize my products?

Please let us know which product you need to customize, and attach details, quantities, and special requirements.
