

## 18 Color Silicone Label Machine Full-automatic Glue Dispensing Machine for PVC Rubber Keychains Machinery

Our Product Introduction

for more products please visit us on [chencaimachinery.com](http://chencaimachinery.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chencai
- Minimum Order Quantity: 1
- Price: \$4,899-5,899

### Product Specification

- Weight: 316 KG
- Working Desk Size: 740\*410mm
- Input Voltage: 220V
- Maximum Power: 1.6KW
- XYZ Accuracy: 0.01mm
- Dimension: 1230\*1150\*1550mm
- Color: Blue White
- Core Components: Engine, Motor
- Function: Silicone And PVC Product Making
- Number Of Colors: 18
- Machine Type: Full-automatic Glue Dispensing
- Material Compatibility: PVC Rubber
- Product Type: Keychains Machinery
- Operation Type: Easy To Operate
- Energy Efficiency: Energy Saving

## *Product Description*

### **18 Color Silicone Label Machine - Full-Automatic Glue Dispensing System**

---

Advanced PVC rubber keychain manufacturing machinery with 18-color silicone label dispensing capability. This fully automated system delivers precision glue application for high-quality product labeling.

**EQUIPMENT INTRODUCTION**

## Detailed explanation of functions used for production

### IMPROVE EFFICIENCY

Breaking the traditional drip molding industry and replacing manual labor with automation can greatly improve work efficiency

### PRECISE DISPENSING

Accurate dispensing and shaping, no leakage, and precise control of every detail even with fast dispensing

### REDUCE COSTS

One device can replace several manual productions, reducing labor costs and improving product output and quality

model	power	voltage
CCDS-18C	1.6kw	220V
Workbench dimensions	valid itinerary(X*Y*Z)	air pressure input
740x410mm	750x400x80mm	0.4-0.6mpa
machine weight	Overall dimensions	XYZ axis repeated precise positioning
316kg	1230x1150x1550mm	0.01mm

## PRODUCT APPEARANCE

## Three perspectives of product display

### FRONT FACING REAL SHOT

Front appearance display, mainly reflecting the working plane of the machine equipment and some functions of the work

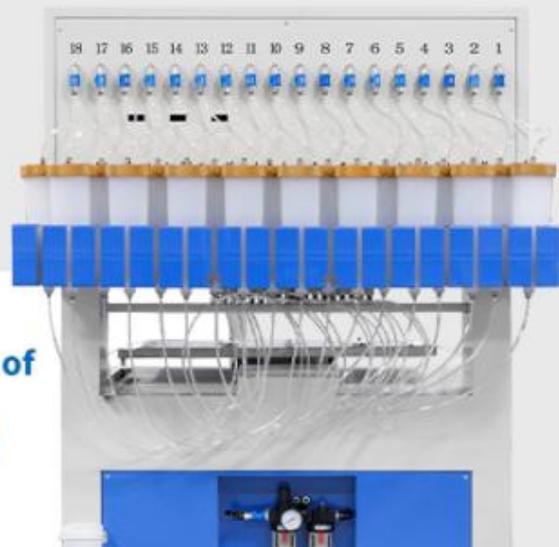

### SIDE SHOT

You can almost see the entire product from the side, displaying the functions and overall situation of our machine. The actual machine display, including his design and work plan

### BACK SHOT

The back of the machine mainly displays the details of storing material cans, adjusting air pressure, and checking the condition of related material cans

## PRODUCT DETAILS

Detail display and functional introduction of product parts

### PROGRAMMING CONTROLLER

Programming is simple, and you can operate it yourself in about a day of training. We can also arrange for a master to provide specialized training

### MOTOR AND BALL BEARINGS

Accurate control of machinery and equipment, with three-axis error controlled within  $\pm 0.01$ . We have very strict requirements for the machine and strictly control every component

### KEYBOARD BUTTONS

Multiple programs can be pre-set with shortcut keys, and simply follow the corresponding shortcut keys to work, improving efficiency

DISCENSING NEEDLE

## DISPENSING NEEDLE

**Aluminum pressure valve with built-in sealing ring, strong corrosion resistance and good air tightness**

# PRODUCT APPLICATION

THE WORKING SCENARIO OF  
MACHINE EQUIPMENT

## USAGE SCENARIOS

The production of silicone products in the production workshop, which are used for mold dispensing and dripping equipment, can greatly improve production efficiency and eliminate a lot of labor costs

# Some manufacturers

Poor precision of inferior materials

The operation is cumbersome and inefficient

Unstable business, no after-sales service available

## Our equipment

Deeply cultivating high-quality products in the industry

Easy to operate on-site training

Years of enterprise warranty and after-sales service

# COMPANY PROFILE

COMPANY PROFILE

Chencai Automation Equipment Technology Co., Ltd. was established in 2017, specializing in the R&D and sales of equipment including automatic dispensing machines, food decorating machines, silicone vulcanizing machines, PVC ovens, tunnel ovens, heat press molding machines, rubber heat transfer machines, rubber milling machines, silicone cutting machines, sandblasting machines, vacuum degassing machines, PVC raw material mixers, and hardware visual coloring machines.

With a team of over 100 employees and a factory spanning 3,000+ square meters, ChenCai Equipment has expanded its reach across multiple countries, serving over 1,200 clients. Addressing customer pain points such as “low production, high labor costs, and difficulty in controlling product precision,” we offer services including customized solutions, complimentary training, on-site commissioning, 24-hour online support, and a one-year warranty to help clients boost efficiency.

Moving forward, ChenCai will continue to increase R&D investment, expand into new markets, and strive to become a leading manufacturer of intelligent industrial machinery.

### Frequently Asked Questions

What services can we provide?

Delivery Terms	FOB, CFR, CIF, EXW
----------------	--------------------

**Payment Types**

T/T, L/C, Credit Card, PayPal

**Is Dongguan Chencai Automatic Equipment a manufacturer or trading company?**

We are the manufacturer of soft PVC silicone rubber equipment since 2011. Our product range includes PVC dispensing machines, smart ovens, baking tables, tunnel ovens, rubber press molding machines, chocolate drop molding machines, and more. We also offer complete turn-key projects including raw materials like PVC resin, DBP oil, color paste/pvc pigment, and aluminum molds.

**What is the delivery time for equipment with raw materials and molds?**

Approximately 25 days after receiving your deposit. Payment terms: 50% deposit in advance, and 50% before shipment.

**What are your company advantages?**

We provide experienced sales managers for 1-to-1 inquiry service, supported by a professional technical team to help you make informed decisions and solve technical challenges. We can also flexibly arrange other consignment needs according to your purchasing plan.

**Can I order molds with the machine together?**

Yes, simply send us your product sample or drawing. We will handle the rest and provide photos of test products before shipment to ensure accuracy and quality.

**How can I customize my products?**

Please specify which product you need to customize and provide details, quantities, and any special requirements.
