

24 Colors Dispensing Label Machinery PVC Keychain Machine PVC Trademark Logo Making Machine

Our Product Introduction

for more products please visit us on chencaimachinery.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Chencai
- Minimum Order Quantity: 1
- Price: \$5,499-6,799

Product Specification

- Voltage: 220V
- Weight: 394 KG
- Working Desk Size: 890*460mm
- Maximum Power: 1.6kw
- XYZ Accuracy: 0.01mm
- Dimension: 1300*1450*1600mm
- Core Components: Engine, Motor
- Color: Blue White
- Function: Silicone And PVC Product Making
- Number Of Colors: 24
- Energy Efficiency: Energy Saving
- Input Voltage: 220V
- Product Type: Dispensing Machine
- Material Compatibility: PVC, Silicone
- Application Scope: 2D 3D Cartoon Figure, Keychains, Slipper

PVC/SILICONE DISPENSING MACHINE

DISPENSING

DRIP MOLDING

PRODUCTION

PRODUCT INTRODUCTION

SILICONE PRODUCT MANUFACTURING MACHINE

Used for the production of silicone products and customization of PVC products, precise and efficient drip molding can better reduce production costs and increase output

Model

CCDS-24C

Power

1.6kw

Voltage

220V

Workbench dimensions

890mm * 460mm

Effective itinerary (X * Y * Z)

900mm * 470mm * 80mm

XYZ axis repeat positioning accuracy

0.01mm

Atmospheric pressure

0.4-0.6mpa

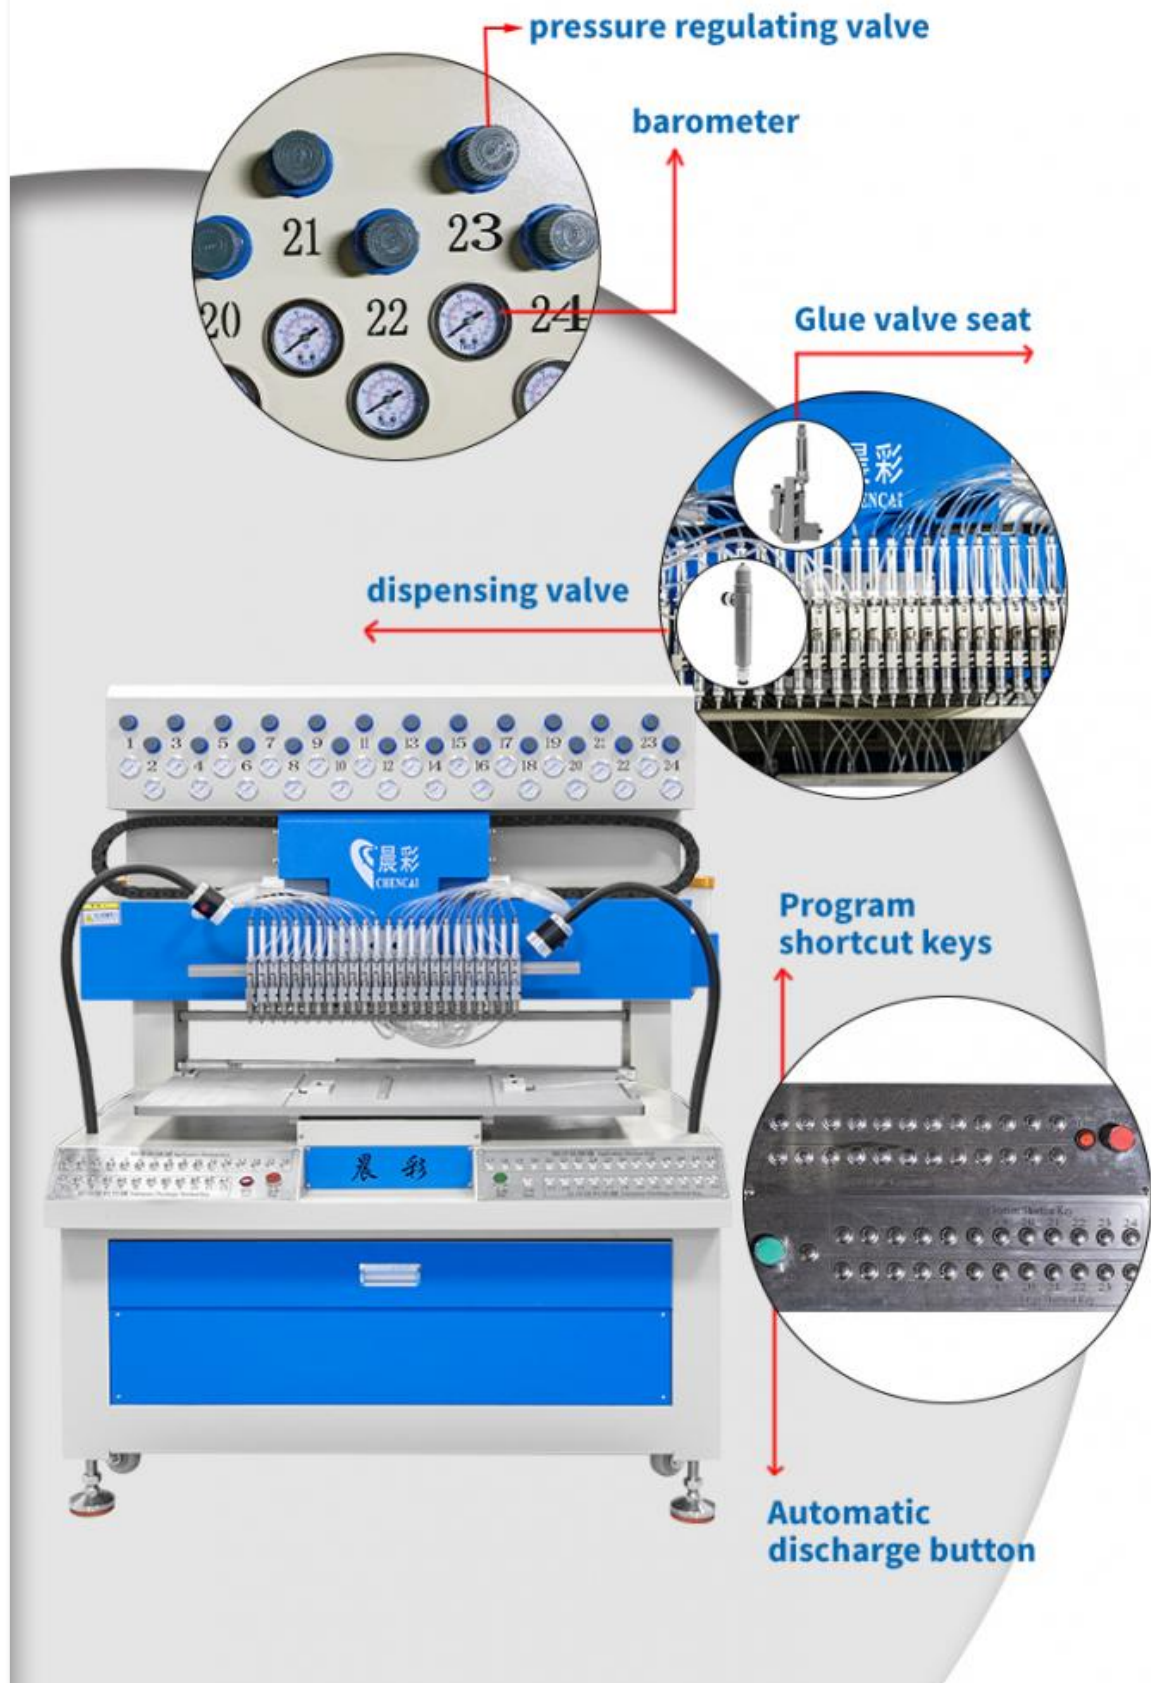

Machine weight

394kg

Overall dimensions

1300mm * 1450mm * 1600mm

PRODUCT DETAILS

APPEARANCE DISPLAY

Product Three View Display

front display

A flat workbench, lighting fixtures, dispensing valves, pressure regulating valves, and pressure gauges that showcase the daily operation of the equipment

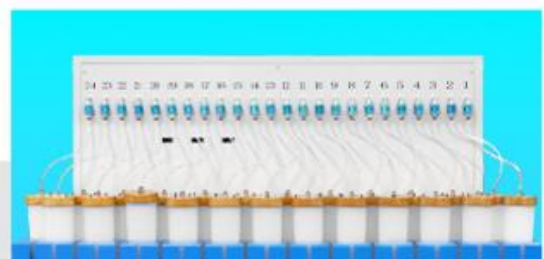

side view

In addition to the work surface displayed on the front, the side display allows for a more intuitive view of most of the device's functional areas, as well as the overall device

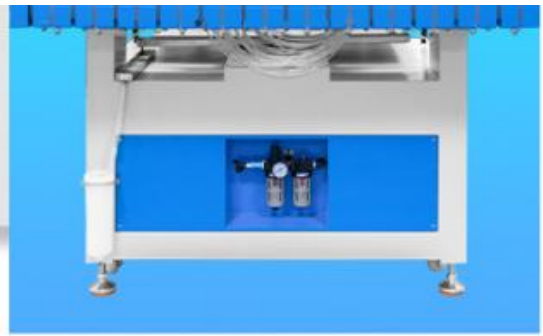

Rear view

From the perspective of the back of the machine equipment, the upper

the machine equipment, the upper part is the material tank and air pipe, and the lower part is the cylinder and cylinder gauge. The cylinder is mainly used for air pressure communication

SILICONE RUBBER PRODUCT PRODUCTION LINE

1.Raw material de-bubbling

2. Dispensing

3. small propotion silicone & Mold de-bubbling

4.Baking

1.Solid Silicone milling

2.Solid Silicone band cutting

5.Rubber Vulcanizing

Silicone promotional product

APPLICATION SCENARIOS

PRODUCTION WORKSHOP

Suitable for various production workshops, silicone factories, toy factories, and can be used to make various flat silicone products and 3D products

Doll making and various plastic products such as mouse pads, plastic slippers, keychains, etc

FEATURE INTRODUCTION

- **Product dispensing can produce various types of silicone products, improve production efficiency, reduce labor costs, and achieve precise dispensing**
- **The function of PVC product production can be used for customized PVC dolls, toy production, children's product production, and other types of toy production, with high work efficiency and low cost**

PRODUCT ADVANTAGES

Chencai Equipment

Deeply cultivating high-quality
products in the industry

Easy to operate
on-site training

Years of enterprise warranty
and after-sales service

other devices

Poor precision of
inferior materials

The operation is cumbersome
and inefficient

Unstable business, no after-sales
service available

PRODUCT DETAILS

DETAILED INTRODUCTION OF FUNCTIONS

Controller programming

The programming operation is simple, and with our master's training for one day, you can basically get started

Program preset shortcut keys

Multiple programs can be pre-set with shortcut keys, and simply press the corresponding shortcut keys to work, greatly improving efficiency

Ball screw and motor

Accurate control, with three axis errors controlled within $\pm 0.01\text{mm}$, greatly reduces errors in the production process

Backsuction dispensing valve

Aluminum pressure valve with built-in sealing ring, strong corrosion resistance, good air tightness, no leakage or other issues, each link is carefully controlled

COMPANY PROFILE

COMPANY PROFILE

Chencai Automation Equipment Technology Co., Ltd. was established in 2017, specializing in the R&D and sales of equipment including automatic dispensing machines, food decorating machines, silicone vulcanizing machines, PVC ovens, tunnel ovens, heat press molding machines, rubber heat transfer machines, rubber milling machines, silicone cutting machines, sandblasting machines, vacuum degassing machines, PVC raw material mixers, and hardware visual coloring machines.

With a team of over 100 employees and a factory spanning 3,000+ square meters, ChenCai Equipment has expanded its reach across multiple countries, serving over 1,200 clients. Addressing customer pain points such as “low production, high labor costs, and difficulty in controlling product precision,” we offer services including customized solutions, complimentary training, on-site commissioning, 24-hour online support, and a one-year warranty to help clients boost efficiency.

Moving forward, ChenCai will continue to increase R&D investment, expand into new markets, and strive to become a leading manufacturer of intelligent industrial machinery.

Frequently Asked Questions

What services can we provide?

Accepted Delivery Terms: FOB, CFR, CIF, EXW

Accepted Payment Type: T/T, L/C, Credit Card, PayPal

Is Dongguan Chencai Automatic Equipment a manufacturer or trading company?

We are the Manufacturer of soft PVC Silicone rubber equipment since 2011. Our manufacturing products include:

- PVC Dispensing machine
- Smart oven
- Baking table
- Tunnel Oven
- Rubber press molding machine
- Chocolate drop molding machine

We also offer complete turn-key projects including raw materials like PVC resin, DBP oil, color paste/PVC pigment, and Aluminum Mold.

What is the delivery time if I buy raw material, mold together with the equipment?

Approximately 25 days after receiving your deposit. Payment terms: 50% deposit in advance, and 50% before shipment.

What is your company advantage? Why should I buy from you after comparing with other suppliers?

We provide experienced, well-trained sales managers offering 1-to-1 inquiry service, supported by a professional technical team to help you make informed decisions and solve technical problems.

We can also flexibly arrange other consignment needs according to your purchasing plan.

Can I order the mold with the machine together?

Yes, simply send us the sample or drawing of the product you want to make, and we will handle the rest. We double-check and send you photos of the testing product before shipment to ensure quality and avoid mistakes.

How can I customize my products?

Please inform us which product you need to customize, and provide details, quantities, and any special requirements.
